Subject	CubeIQ Announces Partnership with Refinitiv

CubeIQ Limited, an IT company provider of software solutions and systems for financial, banking and corporate institutions announces partnership with **Refinitiv™**.

Thomson Reuters sold 55% of her **Financial & Risk (F&R) unit** to Blackstone Group LP on October 1, 2018, forming Refinitiv. **London Stock Exchange Group (LSEG)** agreed to buy Refinitiv in an all-share transaction for which finally awarded approval by EU regulators in January 29, 2021

Refinitiv, an LSEG (London Stock Exchange Group) business, is one of the world's largest providers of financial markets data and infrastructure. Refinitiv is powering participants across the global financial marketplace providing information, insights, and technology that enable customers to execute critical investing, trading and risk decisions with confidence. By combining a unique open platform with best-in-class data and expertise, Refinitiv drives performance, innovation and growth for her customers and partners.

CubeIQ has partnered with **Refinitiv™** to integrate its **World-Check Datafile (WCDF)** within CubeIQ's customer names screening solution titled **AML On-Line™**. AML On-Line™ is an on premises or on cloud, web-based, customer screening solution that is used for **Anti-Money Laundering**, **Counter-Terrorist Financing** and **Know Your Customer** compliance requirements.
