Subject	CubelQ Announces Know Your Business Services Platform Registries Coverage Expansion

CubelQ Announces **Know Your Business Services Platform** registries coverage.

Know Your Business (KYB) – Know Your Vendor (KYV) is a **CubelQ** services platform that provides to organization the capacity to know the basic participants in a company, corporation, partnership or any other form of incorporation. **KYB/KYV** simplifies and empowers KYC procedures in AML/Compliance, Risk Management, Procurement and Contract Management departments of Banks, Financial Institutions and large corporations.

KYB/KYV platform provides real-time access to **500+ local companies official registries in 128 countries** around the work in four continents in order to review and download company data and official incorporation documents both via KYC platform intuitive user interface and through a single API. In East, South East European and Mena regions all local companies' registries are supported processing companies' documentation in their native local language.

As of today, KYB/KYV registry coverage has been expanded to include all fifty (50) States registries in United Sates enabling users to access official corporate information on 30+ million companies registered in the United States.

This update brings the **total of countries covered by KYC/KYV platform to 129**, further strengthening the company's position as **the No.1 KYB provider** in the industry by breadth and depth of coverage.
